

# BETEL NUT & ARECA NUT

PREMIUM VIETNAMESE ORIGIN

EXPORT GRADE  
QUALITY

## PRODUCT OVERVIEW

Sourced from the fertile regions of Central and Southern Vietnam (Dak Lak, Quang Ngai, and Binh Thinh), our Betel Nuts are harvested at peak maturity to ensure consistent texture and flavor. We provide high-quality Areca nuts processed under strict hygiene standards for international export requirements.

## PRODUCT VARIETIES

Type	Description
Dried Whole	Uniformly dried, intact nuts without cracks. High oil content.
Dried Split	Cleanly halved nuts, hand-sorted for size consistency.
Sliced	Precision thin slices for medicinal or industrial applications.
Boiled/Fresh	Processed immediately after harvest for specific regional markets.
